“ God's mercy can make even the driest land become a garden, can restore life to dry bones (cf. Ez 37:1-14). ... Let us be renewed by God's mercy, let us be loved by Jesus, let us enable the power of his love to transform our lives too; and let us become agents of this mercy, channels through which God can water the earth, protect all creation and make justice and peace flourish.”

- Pope Francis
