

## What is the *Vivos Christi Society*?

The *Vivos Christi Society* is an honor society for those who have made a planned gift to their parish, entity or ministry through their will, trust or other estate plans. Have you made a planned gift to one of these in our diocese? If yes, then you are a member and we thank you for your gift!

Bishop Noonan would like to personally thank and welcome you and current members at the Annual *Vivos Christi Society* Morning Prayer and Induction.
