

During the Year of the Eucharist, **Our Lady of Lourdes Parish** in Daytona Beach will focus on the themes of:

- Being Eucharist in the Marketplace
- Being Eucharist to reach out in the community

With these themes we will:

- Bring the Eucharist to the Daytona Bandshell on Ash Wednesday
 - Deliver homilies on being Eucharist in our hurting world
 - Be Eucharist as we feed the hungry in our local food program
- Bring awareness of the power of the Eucharist in all our ministries stemming from our Liturgy (the source and summit of our Life)
