

At the beginning of Advent Father Tom will introduce at the end of Mass on December 8<sup>th</sup> Eucharistic Adoration and Benediction. Throughout the year we will plan a schedule of times for the students to participate in prayerful Adoration as a class, specifically praying for each other and for all priests of the Diocese. Because of our patron saint, St. John Vianney we pray every day for all priests and by name we pray for Bishop Noonan and our parish priests.

On May 9<sup>th</sup> or May 16<sup>th</sup> we have our traditional school mass with the theme of “cultural heritage”. This year we plan to celebrate the many cultures represented by our school community with a “Corpus Christi” outdoor procession. Classes will create prayer stations throughout campus and Father will lead a Eucharistic procession to each station praying for all as “One Body in Christ.”
